DON'T STOP TOBACCO.

How to Cure Yourself While Using Tohnceo.

The tobacco habit grows on a mun until his nervous system is seriously affec-ted, impairing health, comfort and hap-piness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user becomes a stimulant that his system continually craves. Baco-Curo is a scientific cure for the tobacco habit, in all its forms, carefully com-pounded after the formula of an eminent Physician who has used it in his private Physician who has used it in his private practice since 1872, without a failure, purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking Baco-Curo, it will notify you when to stop. We give a writter guarantee to permanently cure any case with three boxes, or refund the money with the per cent, interest. Baco-Curo is not a substitute, but a sceintific cure, that cures, without the sid of will power and with no inconvenience. It issues the system pure and free of nicopens, pencils, papers and in fact leaves the system pure and free of nico-tine as the day pefore you took your first chew or smoke.
